Agricultural & Industrial Buildings

{CURRENT\_DATE}

April 2026

This year marks a major milestone for **Fowler and Gilbert** as we celebrate 15 years in business.

From our early beginnings to where we are today, we've been proud to support our customers and partners with high-quality agricultural and industrial building solutions.

Our anniversary campaign, "**15 Years of Engineering Excellence**," reflects not only the structures we've delivered, but the strong relationships we've built along the way.

We'd like to thank our customers and suppliers for their continued trust and support—we look forward to building even more together in the years ahead.
