Cereals Show 2026

Win this Shed!

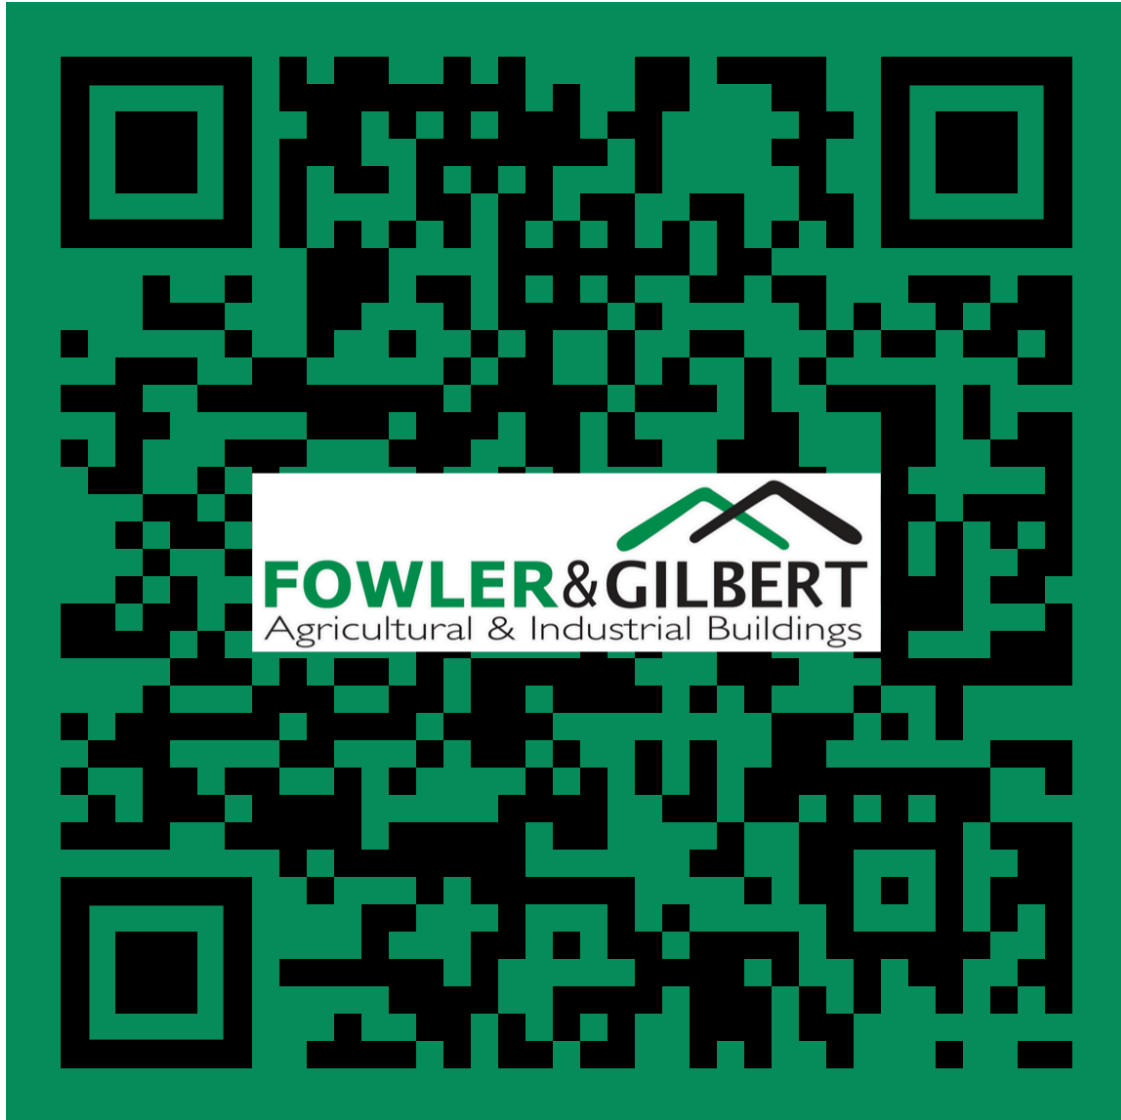

Here is the team at the **2026 Cereals Show** at Diddly Squat. What a show! I think we experienced all of the seasons over the two days but it didn't stop the crowds and we are

told that 25,000 visitors attended.

We had a great time, it was really good to meet our customers, speak to some new prospective customers and renew acquaintances with suppliers and friends in the industry. Thank for calling in to see us.

You may notice the fantastic **Fowler and Gilbert** building we are standing in front of, you can still win this in our big anniversary giveaway. All you need to do is follow us on YouTube, Instagram and sign up for our newsletter. Follow the **QR code** below to find the links or you can also find them on our website.

Terms and conditions apply, please see the website for further information.

Behind the Build

This month we shine a light on one of our local projects, showcasing the quality, scale and versatility of our **steel framed agricultural buildings**. This month, we're featuring an impressive 480 ft x 100 ft livestock building completed for a valued returning customer here in Shropshire.

Designed to provide a **practical, durable and efficient environment** for livestock housing, this substantial structure demonstrates the benefits of investing in a purpose built agricultural building tailored to the needs of a modern farming operation. As a long standing customer, it was a pleasure to once again work closely with the team to deliver a building that meets their requirements both today and for years to come.

Being located locally in **Shropshire**, this project highlights our continued commitment to supporting farms and rural businesses across the region with **high quality steel framed buildings**, expert workmanship and a reliable service from start to finish.

Company of the Year

Fowler & Gilbert Group Marks 15 Years with a major win:

Shropshire Chamber's Company of the Year 2026

Fowler & Gilbert Group is proud to celebrate a landmark moment in our 15-year journey, having been named **Shropshire Chamber's Company of the Year 2026**. The award

recognises the strength of our growth, the quality of our work across the UK steel-framed buildings sector, and the commitment of the people who drive our business forward every day.

Managing Director **Lee Gilbert** said:

*“This award is a testament to the incredible team we have here at **Fowler & Gilbert**. Their hard work, ambition and pride in what they do are the foundations of our success. Reaching 15 years is an achievement in itself — winning **Company of the Year** in the same moment makes it even more special. We’re excited for the future and the opportunities ahead.”*

Fowler & Gilbert Group is growing, ambitious, and committed to delivering exceptional buildings and exceptional service for our clients nationwide.

Thank you to our team, our clients and our partners for being part of our story so far. The next chapter is already underway.

Fowler and Gilbert are on the road

Date for your diary-

Be sure to call in and see us at the Black Isle Show 5th and 6th of August 2026.

Don't forget to enter the competition to win the shed, you've got to be in it to win it!

Fowler & Gilbert Ltd. Western Way, Market Drayton. Shropshire. TF9 3UY. United Kingdom
