Fowler and Gilbert Celebrate the Kings Award for Enterprise

It was a proud moment for **Fowler & Gilbert** as our Managing Director, **Lee Gilbert** had the opportunity to meet His Majesty The King following our success in receiving The King's Award for Enterprise in Promoting Opportunity.

The **King's Award** is a significant recognition of the hard work, commitment and achievements of our team. It reflects the dedication of everyone across **Fowler & Gilbert** and the values that continue to drive our business forward.

For us, the award is not just about recognition — it is a celebration of our people, our customers and the continued investment we make in developing a strong and successful business for the future.

Meeting His Majesty was a memorable occasion and one that we are delighted to share with our colleagues, customers and wider community.

We are incredibly proud of this achievement and look forward to building on this success in the years ahead.

Project Showcase

Fowler and Gilbert have been delighted to install this insulated industrial workshop with galvanised steelwork for one of our commercial customers in the Midlands. The building has used concrete panels and Kingspan composite panels to both roof and walls.

This high quality build compliments a development for our customer to expand and improve the efficiency of their business. It has been a pleasure for the **Fowler and Gilbert** team to support this expansion and investment. We look forward to working with them again in the future.

Meet the Sales Team

You may already know our Sales Team at **Fowler and Gilbert** from speaking with them on the phone, meeting them at shows and events, or working with them day to day. Now it's time to put some faces to the names!

Our Sales Team plays a vital role in the continued success of **Fowler & Gilbert**, building strong relationships with our customers and understanding how we can best support and solve your building issues and concerns. The team have a breadth of knowledge and experience that we are very proud of.

They're out and about throughout the year, representing **Fowler & Gilbert** at industry events, meeting customers and developing new opportunities.

So, next time you speak to the team or see them at a show, you'll know the faces behind the conversations!

From left to right, Lee, Wes, Simon and Dan.
